Stera Technologies Oy
Tierankatu 5
20520 Turku
Finland

Turvallisuusvaroitukset:

Sähköiskun välttämiseksi kytke asennuskohde irti sähköverkosta ennen valaisimen asennus- tai huoltotyön aloitusta!

- Asennus- tai huoltotyö tulee suorittaa asianmukaisella pätevyydellä ja näiden ohjeiden mukaisesti
- Valaisimen valolähteen saa vaihtaa ainoastaan Stera Technologies Oy, tai edellä mainitun valtuuttama huoltaja
- Valmistaja ei kanna vastuuta valaisimen väärinkäytöstä
- Vältä päällä olevan valolähteen katsomista

Safety warnings:

To reduce the possibility of an electric shock, disconnect the target from the mains electricity before installation or maintenance work!

- Installation or maintenance work must be carried out with appropriate competence and in accordance with these instructions
- The light source can only be changed by Stera Technologies Oy, or by an authorized maintenance technician
- The manufacturer does not bear responsibility for misuse of the luminaire
- Avoid staring directly at the light

Säkerhetsvarningar:

För att minska risken för elektrisk stöt, koppla ur armaturen från elnätet innan installation eller service arbete!

- Installation eller underhållsarbete måste utföras med rätt kompetens och enligt dessa instruktioner
- Ljuskällan bör bara bytas av Stera Technologies Oy, eller av en Stera certifierad servicetekniker
- Tillverkaren bär inte ansvar för missbruk av armaturen
- Undvik att stirra rakt in i den tända ljuskällan
